

AWG Hessians

The Hessians, Britain's mercenary Allies in the American War of Independence, were in fact contingents of troops from a number of German states, but the name Hessians was used almost universally to describe them. Well-drilled troops who favoured the formal style of warfare of the Europe of Frederick the Great, the German contingent proved to be solid if unremarkable soldiers.

HESSIANS
Leader, Status III Three Groups of 8 Musketeers, Muskets
Leader, Status II Two Group of 8 Musketeers, Muskets
Leader, Status I One Group of 6 Jäger, Rifles
Point Value: 53

To represent the Hessians we use the following list:
